7 YEARS OF SPONSORSHIP!

Blue Ridge Orthopaedic and Spine Center begin their seventh year as the WARF's largest Corporate Sponsor in October. The original sponsorship began in October of 2009 when both WARF and BROA staff planned for the BROA Physical Therapy Department to bring their patients to the WARF to rehabilitate in the water. "The partnership has been a mutually beneficial arrangement since then and continues to grow each year", says Cathy Zimmer, Assistant Director of Parks and Recreation. "Blue Ridge is an outstanding group of people to work with and we expand our collaborative efforts every year," she adds.

Factors of the agreement are water time for physical therapy sessions, memberships for Blue Ridge staff, banner advertising in the pools and collaborative ideas for community programs. Jeff Hollis, CEO of Blue Ridge states, "We receive numerous inquiries every month from potential patients after seeing our banners, announcements, and information at the WARF. I can't calculate the number of patients that make it here because of that, but I am sure it's 10 or 15 a month. We couldn't get this kind of exposure anywhere else in the area. The WARF is a great partner and friend to Blue Ridge."
